§ 2025. Administrative cost-sharing and quality control

(a) Administrative costs

Subject to subsection (k) of this section, the Secretary is authorized to pay to each State agency an amount equal to 50 per centum of all administrative costs involved in each State agency's operation of the food stamp program, which costs shall include, but not be limited to, the cost of (1) the certification of applicant households, (2) the acceptance, storage, protection, control, and accounting of coupons after their delivery to receiving points within the State, (3) the issuance of coupons to all eligible households, (4) food stamp informational activities, including those undertaken under section 2020(e)(1)(A) of this title, but not including recruitment activities, (5) fair hearings, (6) automated data processing and information retrieval systems subject to the conditions set forth in subsection (g) of this section, (7) food stamp program investigations and prosecutions, and (8) implementing and operating the immigration status verification system established under section 1137(d) of the Social Security Act (42 U.S.C. 1320b-7(d)): *Provided*, That the Secretary is authorized at the Secretary's discretion to pay any State agency administering the food stamp program on all or part of an Indian reservation under section 2020(d) of this title or in a Native village within the State of Alaska identified in section 1610(b) of title 43.¹ such amounts for ad-

ministrative costs as the Secretary determines to be necessary for effective operation of the food stamp program, as well as to permit each State to retain 35 percent of the value of all funds or allotments recovered or collected pursuant to sections 2015(b) and 2022(c) of this title and 20 percent of the value of any other funds or allotments recovered or collected, except the value of funds or allotments recovered or collected that arise from an error of a State agency. The officials responsible for making determinations of ineligibility under this chapter shall not receive or benefit from revenues retained by the State under the provisions of this subsection.

(b) Work supplementation or support program

(1) "Work supplementation or support program" defined

In this subsection, the term "work supplementation or support program" means a program under which, as determined by the Secretary, public assistance (including any benefits provided under a program established by the State and the food stamp program) is provided to an employer to be used for hiring and employing a public assistance recipient who was not employed by the employer at the time the public assistance recipient entered the program.

(2) Program

A State agency may elect to use an amount equal to the allotment that would otherwise be issued to a household under the food stamp program, but for the operation of this subsection, for the purpose of subsidizing or supporting a job under a work supplementation or support program established by the State.

(3) Procedure

If a State agency makes an election under paragraph (2) and identifies each household that participates in the food stamp program that contains an individual who is participating in the work supplementation or support program—

(A) the Secretary shall pay to the State agency an amount equal to the value of the allotment that the household would be eligible to receive but for the operation of this subsection;

(B) the State agency shall expend the amount received under subparagraph (A) in accordance with the work supplementation or support program in lieu of providing the allotment that the household would receive but for the operation of this subsection;

(C) for purposes of—

(i) sections 2014 and 2017(a) of this title, the amount received under this subsection shall be excluded from household income and resources; and

(ii) section 2017(b) of this title, the amount received under this subsection shall be considered to be the value of an allotment provided to the household; and

(D) the household shall not receive an allotment from the State agency for the period during which the member continues to participate in the work supplementation or support program.

¹ So in original. The period probably should not appear.

(4) Other work requirements

No individual shall be excused, by reason of the fact that a State has a work supplementation or support program, from any work requirement under section 2015(d) of this title, except during the periods in which the individual is employed under the work supplementation or support program.

(5) Length of participation

A State agency shall provide a description of how the public assistance recipients in the program shall, within a specific period of time, be moved from supplemented or supported employment to employment that is not supplemented or supported.

(6) Displacement

A work supplementation or support program shall not displace the employment of individuals who are not supplemented or supported.

(c) Payment error improvement system; purposes, establishment, definitions, implementation, etc.

(1) The program authorized under this chapter shall include a system that enhances payment accuracy by establishing fiscal incentives that require State agencies with high error rates to share in the cost of payment error and provide enhanced administrative funding to States with the lowest error rates. Under such system—

(A) the Secretary shall adjust a State agency's federally funded share of administrative costs pursuant to subsection (a) of this section, other than the costs already shared in excess of 50 percent under the proviso in the first sentence of subsection (a) of this section or under subsection (g) of this section, by increasing such share of all such administrative costs by one percentage point to a maximum of 60 percent of all such administrative costs for each full one-tenth of a percentage point by which the payment error rate is less than 6 percent, except that only States whose rate of invalid decisions in denying eligibility is less than a nationwide percentage that the Secretary determines to be reasonable shall be entitled to the adjustment prescribed in this subsection;

(B) the Secretary shall foster management improvements by the States by requiring State agencies other than those receiving adjustments under subparagraph (A) to develop and implement corrective action plans to reduce payment errors; and

(C) for any fiscal year in which a State agency's payment error rate exceeds the national performance measure for payment error rates announced under paragraph (6), other than for good cause shown, the State agency shall pay to the Secretary an amount equal to—

(i)² the product of—

(I) the value of all allotments issued by the State agency in the fiscal year; times

(II) the lesser of—

(aa) the ratio of—

(aaa) the amount by which the payment error rate of the State agency for the fiscal year exceeds the national

performance measure for the fiscal year; to

(bbb) the national performance measure for the fiscal year, or

(bb) 1; times

(III) the amount by which the payment error rate of the State agency for the fiscal year exceeds the national performance measure for the fiscal year.

The amount of liability shall not be affected by corrective action under subparagraph (B).

(2) As used in this section—

(A) the term “payment error rate” means the sum of the point estimates of an overpayment error rate and an underpayment error rate determined by the Secretary from data collected in a probability sample of participating households;

(B) the term “overpayment error rate” means the percentage of the value of all allotments issued in a fiscal year by a State agency that are either—

(i) issued to households that fail to meet basic program eligibility requirements; or

(ii) overissued to eligible households; and

(C) the term “underpayment error rate” means the ratio of the value of allotments underissued to recipient households to the total value of allotments issued in a fiscal year by a State agency.

(3) The following errors may be measured for management purposes but shall not be included in the payment error rate:

(A) Any errors resulting in the application of new regulations promulgated under this chapter during the first 120 days from the required implementation date for such regulations.

(B) Errors resulting from the use by a State agency of correctly processed information concerning households or individuals received from Federal agencies or from actions based on policy information approved or disseminated, in writing, by the Secretary or the Secretary's designee.

(4) The Secretary may require a State agency to report any factors that the Secretary considers necessary to determine a State agency's payment error rate, enhanced administrative funding, or claim for payment error, under this subsection. If a State agency fails to meet the reporting requirements established by the Secretary, the Secretary shall base the determination on all pertinent information available to the Secretary.

(5) To facilitate the implementation of this subsection each State agency shall submit to the Secretary expeditiously data regarding its operations in each fiscal year sufficient for the Secretary to establish the payment error rate for the State agency for such fiscal year and determine the amount of either incentive payments under paragraph (1)(A) or claims under paragraph (1)(C). The Secretary shall make a determination for a fiscal year, and notify the State agency of such determination, within nine months following the end of each fiscal year. The Secretary shall initiate efforts to collect the amount owed by the State agency as a claim

² So in original. No cl. (ii) has been enacted.

established under paragraph (1)(C) for a fiscal year, subject to the conclusion of any formal or informal appeal procedure and administrative or judicial review under section 2023 of this title (as provided for in paragraph (7)), before the end of the fiscal year following such fiscal year.

(6) At the time the Secretary makes the notification to State agencies of their error rates and incentive payments or claims pursuant to paragraphs (1)(A) and (1)(C), the Secretary shall also announce a national performance measure that shall be the sum of the products of each State agency's error rate as developed for the notifications under paragraph (5) times that State agency's proportion of the total value of national allotments issued for the fiscal year using the most recent issuance data available at the time of the notifications issued pursuant to paragraph (5). Where a State fails to meet reporting requirements pursuant to paragraph (4), the Secretary may use another measure of a State's error developed pursuant to paragraph (5), to develop the national performance measure. The announced national performance measure shall be used in determining the State share of the cost of payment error under paragraph (1)(C) for the fiscal year whose error rates are being announced under paragraph (5).

(7) If the Secretary asserts a financial claim against a State agency under paragraph (1)(C), the State may seek administrative and judicial review of the action pursuant to section 2023 of this title.

(8)(A) This paragraph applies to the determination of whether a payment is due by a State agency for a fiscal year under paragraph (1)(C).

(B) Not later than 180 days after the end of the fiscal year, the case review and all arbitrations of State-Federal difference cases shall be completed.

(C) Not later than 30 days thereafter, the Secretary shall—

(i) determine final error rates, the national average payment error rate, and the amounts of payment claimed against State agencies; and

(ii) notify State agencies of the payment claims.

(D) A State agency desiring to appeal a payment claim determined under subparagraph (C) shall submit to an administrative law judge—

(i) a notice of appeal, not later than 10 days after receiving a notice of the claim; and

(ii) evidence in support of the appeal of the State agency, not later than 60 days after receiving a notice of the claim.

(E) Not later than 60 days after a State agency submits evidence in support of the appeal, the Secretary shall submit responsive evidence to the administrative law judge to the extent such evidence exists.

(F) Not later than 30 days after the Secretary submits responsive evidence, the State agency shall submit rebuttal evidence to the administrative law judge to the extent such evidence exists.

(G) The administrative law judge, after an evidentiary hearing, shall decide the appeal—

(i) not later than 60 days after receipt of rebuttal evidence submitted by the State agency; or

(ii) if the State agency does not submit rebuttal evidence, not later than 90 days after the State agency submits the notice of appeal and evidence in support of the appeal.

(H) In considering a claim under this paragraph, the administrative law judge shall consider all grounds for denying the claim, in whole or in part, including the contention of a State agency that the claim should be waived, in whole or in part, for good cause.

(I) The deadlines in subparagraphs (D), (E), (F), and (G) shall be extended by the administrative law judge for cause shown.

(9) As used in this subsection, the term "good cause" includes—

(A) a natural disaster or civil disorder that adversely affects food stamp program operations;

(B) a strike by employees of a State agency who are necessary for the determination of eligibility and processing of case changes under the food stamp program;

(C) a significant growth in food stamp caseload in a State prior to or during a fiscal year, such as a 15 percent growth in caseload;

(D) a change in the food stamp program or other Federal or State program that has a substantial adverse impact on the management of the food stamp program of a State; and

(E) a significant circumstance beyond the control of the State agency.

(d) Assessment and evaluation of payment error improvement system

The Secretary shall undertake the following studies of the payment error improvement system established under subsection (c) of this section:

(1) An assessment of the feasibility of measuring payment errors due to improper denials and terminations of benefits or otherwise developing performance standards with financial consequences for improper denials and terminations, including incorporation in subsection (c) of this section. The Secretary shall report the results of such study and the recommendations of the Secretary to the Congress by July 1, 1990.

(2) An evaluation of the effectiveness of the system of program improvement initiated under this section that shall be reported to the Congress along with the Secretary's recommendations no later than 3 years from September 19, 1988.

(e) Use of social security account numbers; access to information

The Secretary and State agencies shall (1) require, as a condition of eligibility for participation in the food stamp program, that each household member furnish to the State agency their social security account number (or numbers, if they have more than one number), and (2) use such account numbers in the administration of the food stamp program. The Secretary and State agencies shall have access to the information regarding individual food stamp program applicants and participants who receive benefits under title XVI of the Social Security Act [42 U.S.C. 1381 et seq.] that has been provided to the Commissioner of Social Security,

but only to the extent that the Secretary and the Commissioner of Social Security determine necessary for purposes of determining or auditing a household's eligibility to receive assistance or the amount thereof under the food stamp program, or verifying information related thereto.

(f) Payment of certain legal fees

Notwithstanding any other provision of law, counsel may be employed and counsel fees, court costs, bail, and other expenses incidental to the defense of officers and employees of the Department of Agriculture may be paid in judicial or administrative proceedings to which such officers and employees have been made parties and that arise directly out of their performance of duties under this chapter.

(g) Cost sharing for computerization

The Secretary is authorized to pay to each State agency the amount provided under subsection (a)(6) of this section for the costs incurred by the State agency in the planning, design, development, or installation of automatic data processing and information retrieval systems that the Secretary determines (1) will assist in meeting the requirements of this chapter, (2) meet such conditions as the Secretary prescribes, (3) are likely to provide more efficient and effective administration of the food stamp program, and (4) will be compatible with other such systems used in the administration of State programs funded under part A of title IV of the Social Security Act [42 U.S.C. 601 et seq.]: *Provided*, That there shall be no such payments to the extent that a State agency is reimbursed for such costs under any other Federal program or uses such systems for purposes not connected with the food stamp program: *Provided further*, That any costs matched under this subsection shall be excluded in determining the State agency's administrative costs under any other subsection of this section.

(h) Funding of employment and training programs

(1) IN GENERAL.—

(A) AMOUNTS.—To carry out employment and training programs, the Secretary shall reserve for allocation to State agencies, to remain available until expended, from funds made available for each fiscal year under section 2027(a)(1) of this title the amount of—

- (vii) for fiscal year 2002—

- (I) \$90,000,000; and
- (II) an additional amount of \$75,000,000.

(B) ALLOCATION.—

(i) ALLOCATION FORMULA.—The Secretary shall allocate the amounts reserved under subparagraph (A) among the State agencies using a reasonable formula, as determined and adjusted by the Secretary each fiscal year, to reflect—

(I) changes in each State's caseload (as defined in section 2015(o)(6)(A) of this title);

(II) for fiscal year 1998, the portion of food stamp recipients who reside in each State who are not eligible for an exception under section 2015(o)(3) of this title; and

(III) for each of fiscal years 1999 through 2002, the portion of food stamp recipients who reside in each State who are not eligible for an exception under section 2015(o)(3) of this title and who—

(aa) do not reside in an area subject to a waiver granted by the Secretary under section 2015(o)(4) of this title; or

(bb) do reside in an area subject to a waiver granted by the Secretary under section 2015(o)(4) of this title, if the State agency provides employment and training services in the area to food stamp recipients who are not eligible for an exception under section 2015(o)(3) of this title.

(ii) ESTIMATED FACTORS.—The Secretary shall estimate the portion of food stamp recipients who reside in each State who are not eligible for an exception under section 2015(o)(3) of this title based on the survey conducted to carry out subsection (c) of this section for fiscal year 1996 and such other factors as the Secretary considers appropriate due to the timing and limitations of the survey.

(iii) REPORTING REQUIREMENT.—A State agency shall submit such reports to the Secretary as the Secretary determines are necessary to ensure compliance with this paragraph.

(C) REALLOCATION.—If a State agency will not expend all of the funds allocated to the State agency for a fiscal year under subparagraph (B), the Secretary shall reallocate the unexpended funds to other States (during the fiscal year or the subsequent fiscal year) as the Secretary considers appropriate and equitable.

(D) MINIMUM ALLOCATION.—Notwithstanding subparagraph (B), the Secretary shall ensure that each State agency operating an employment and training program shall receive not less than \$50,000 for each fiscal year.

(E) USE OF FUNDS.—Of the amount of funds a State agency receives under subparagraphs (A) through (D) for a fiscal year, not less than 80 percent of the funds shall be used by the State agency during the fiscal year to serve food stamp recipients who—

(i) are not eligible for an exception under section 2015(o)(3) of this title; and

(ii) are placed in and comply with a program described in subparagraph (B) or (C) of section 2015(o)(2) of this title.

(F) **MAINTENANCE OF EFFORT.**—To receive an allocation of an additional amount made available under subclause (II) of each of clauses (iii) through (vii) of subparagraph (A), a State agency shall maintain the expenditures of the State agency for employment and training programs and workfare programs for any fiscal year under paragraph (2), and administrative expenses described in section 2029(g)(1) of this title, at a level that is not less than the level of the expenditures by the State agency to carry out the programs and such expenses for fiscal year 1996.

(G) **COMPONENT COSTS.**—The Secretary shall monitor State agencies' expenditure of funds for employment and training programs provided under this paragraph, including the costs of individual components of State agencies' programs. The Secretary may determine the reimbursable costs of employment and training components, and, if the Secretary makes such a determination, the Secretary shall determine that the amounts spent or planned to be spent on the components reflect the reasonable cost of efficiently and economically providing components appropriate to recipient employment and training needs, taking into account, as the Secretary deems appropriate, prior expenditures on the components, the variability of costs among State agencies' components, the characteristics of the recipients to be served, and such other factors as the Secretary considers necessary.

(2) If, in carrying out such program during such fiscal year, a State agency incurs costs that exceed the amount allocated to the State agency under paragraph (1), the Secretary shall pay such State agency an amount equal to 50 per centum of such additional costs, subject to the first limitation in paragraph (3), including the costs for case management and casework to facilitate the transition from economic dependency to self-sufficiency through work.

(3) The Secretary shall also reimburse each State agency in an amount equal to 50 per centum of the total amount of payments made or costs incurred by the State agency in connection with transportation costs and other expenses reasonably necessary and directly related to participation in an employment and training program under section 2015(d)(4) of this title, except that such total amount shall not exceed an amount representing \$25 per participant per month for costs of transportation and other actual costs (other than dependent care costs) and an amount equal to the payment made under section 2015(d)(4)(I)(i)(II) of this title but not more than the applicable local market rate, and such reimbursement shall not be made out of funds allocated under paragraph (1).

(4) Funds provided to a State agency under this subsection may be used only for operating an employment and training program under section 2015(d)(4) of this title, and may not be used for carrying out other provisions of this chapter.

(5) The Secretary shall monitor the employment and training programs carried out by State agencies under section 2015(d)(4) of this title to measure their effectiveness in terms of the increase in the numbers of household members who obtain employment and the numbers of

such members who retain such employment as a result of their participation in such employment and training programs.

(i) Geographical error-prone profiles

(1) The Department of Agriculture may use quality control information made available under this section to determine which project areas have payment error rates (as defined in subsection (d)(1) of this section) that impair the integrity of the food stamp program.

(2) The Secretary may require a State agency to carry out new or modified procedures for the certification of households in areas identified under paragraph (1) if the Secretary determines such procedures would improve the integrity of the food stamp program and be cost effective.

(j) Training materials regarding certification of farming households

Not later than 180 days after September 19, 1988, and annually thereafter, the Secretary shall publish instructional materials specifically designed to be used by the State agency to provide intensive training to State agency personnel who undertake the certification of households that include a member who engages in farming.

§ 2026. Research, demonstration, and evaluations

(1) The Secretary may, by way of making contracts with or grants to public or private organizations or agencies, undertake research that will help improve the administration and effectiveness of the food stamp program in delivering nutrition-related benefits.

(2) The Secretary may, on application, permit not more than two State agencies to establish procedures that allow households whose monthly food stamp benefits do not exceed \$20, at their option, to receive, in lieu of their food stamp benefits for the initial period under section 2017 of this title and their regular allotment in following months, and at intervals of up to 3 months thereafter, aggregate allotments not to exceed \$60 and covering not more than 3 months' benefits. The allotments shall be provided in accordance with paragraphs (3) and (9) of section 2020(e) of this title (except that no household shall begin to receive combined allotments under this section until it has complied with all applicable verification requirements of section 2020(e)(3) of this title) and (with respect to the first aggregate allotment so issued) within 40 days of the last coupon issuance.

(b) Pilot projects

(1)(A) The Secretary may conduct on a trial basis, in one or more areas of the United States, pilot or experimental projects designed to test program changes that might increase the efficiency of the food stamp program and improve the delivery of food stamp benefits to eligible households, and may waive any requirement of this chapter to the extent necessary for the project to be conducted.

(B) PROJECT REQUIREMENTS.—

(i) PROGRAM GOAL.—The Secretary may not conduct a project under subparagraph (A) unless—

(ii) PERMISSIBLE PROJECTS.—The Secretary may conduct a project under subparagraph (A) to—

- (I) improve program administration;
- (II) increase the self-sufficiency of food stamp recipients;
- (III) test innovative welfare reform strategies; or
- (IV) allow greater conformity with the rules of other programs than would be allowed but for this paragraph.

(iii) RESTRICTIONS ON PERMISSIBLE PROJECTS.—If the Secretary finds that a project under subparagraph (A) would reduce benefits by more than 20 percent for more than 5 percent of households in the area subject to the project (not including any household whose benefits are reduced due to a failure to comply with work or other conduct requirements), the project—

- (I) may not include more than 15 percent of the State's food stamp households; and
- (II) shall continue for not more than 5 years after the date of implementation, unless the Secretary approves an extension requested by the State agency at any time.

(I) involves the payment of the value of an allotment in the form of cash, unless the project was approved prior to August 22, 1996;

(II) has the effect of substantially transferring funds made available under this chapter to services or benefits provided primarily through another public assistance program, or using the funds for any purpose other than the purchase of food, program administration, or an employment or training program;

(III) is inconsistent with—

(aa) the last 2 sentences of section 2012(i) of this title;

(bb) the last sentence of section 2014(a) of this title, insofar as a waiver denies assistance to an otherwise eligible household or individual if the household or individual has not failed to comply with any work, behavioral, or other conduct requirement under this or another program;

(cc) section 2014(c)(2) of this title;

(dd) paragraph (2)(B), (4)(F)(i), or (4)(K) of section 2015(d) of this title;

(ii) this paragraph; or

(jj) subsection (a)(1) or (g)(1) of section 2029 of this title;

(IV) modifies the operation of section 2014 of this title so as to have the effect of—

(aa) increasing the shelter deduction to households with no out-of-pocket housing costs or housing costs that consume a low percentage of the household's income; or

(bb) absolving a State from acting with reasonable promptness on substantial reported changes in income or household size (except that this subclause shall not apply with regard to changes related to food stamp deductions);

(V) is not limited to a specific time period;

(VI) waives a provision of section 2035 of this title; or

(VII) waives a provision of section 2016(j) of this title.

(v) ADDITIONAL INCLUDED PROJECTS.—A pilot or experimental project may include projects
